MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Intelligence Support for the Foreign Assets
Control Unit of Treasury

RECOMMENDATIONS

12. RC will transmit direct to FAC urgent SO information. OCD and ORR are informed of such transmission by existing agency distribution practices. Less urgent SO information will be forwarded to OCD by RC for screening against FAC requirements - the SO's selected by OCD will be forwarded to FAC with a copy to ORR for information and evaluation. This release will be made with the understanding that RC has cleared the SO's for dissemination prior to forwarding them to OCD or has noted on the report any control it wishes imposed.

25X1A

14. Materials transmitted to FAC will be forwarded under security guidance of I&S, and where appropriate, OCI.

15. ORR will examine its relations with FAC to determine whether any improvement in intelligence support of FAC through EIC or IWG can be accomplished.

16. OCD will continue its present efforts to obtain a new set of requirements from FAC.

17. a. That a copy of these recommendations serve as a notice of action responsibility to the offices concerned.

b. That OCD then explain orally to FAC the above arrangements as necessary, pointing out the differences between central intelligence support and central intelligence operations and arranging that each element of CIA be dealt with appropriately by FAC.
